LIFE Association benefit¹

The LIFE Association, Inc. is a not-for-profit association, established in 1990 for the purpose of improving the personal, professional, and financial lives of our members. LIFE's industry leading educational, lifestyle and health resources are second to none. Various association membership plans include educational training, healthcare, identity theft protection, wellness savings, travel services, retail savings, family programs, and quarterly newsletters.

As a valued member, you will have access to a large variety of upgraded healthcare benefits offered through the association group insurance contracts with major insurers. These health plans are designed with cost in mind, so there is an array of excellent choices to meet each member's budget.

THIS PLAN PROVIDES LIMITED BENEFITS.

accident medical expense

Accident Medical Expense (AME) helps cover accident-related medical costs and other expenses up to the benefit amount you choose. You are free to use the cash benefits in whatever way you see fit and there is no limit on the number of covered accidents.

How it works

Let's say you fall, and end up with in a broken hand. Your primary medical insurance has a \$3,000 deductible and the bill to fix your hand is \$4,500. Your TrioMED AME plan has a \$5,000 benefit level, with a \$250 deductible. Here's how AME would help.

Medical charges	\$4,500
Accident Medical Expense benefit (<i>Medical costs less the \$250 deductible</i>)	\$4,250
Primary plan deductible	(\$3,000)
Your remaining cash benefits	\$1,250

After paying your primary plan deductible, you have \$1,250 left to cover other medical or household expenses.

critical illness coverage

In the event of the first diagnosis of a critical illness, TrioMED will provide a lump-sum, cash benefit to help you pay your out-of-pocket expenses up to the benefit level you choose. If your medical bill is less than your chosen benefit level, you can use the leftover funds in any way you like.

This plan pays benefits for the first diagnosis of covered illnesses in three categories.² It pays one cash benefit per category, with three lump-sum payments available.

- No deductible to satisfy.
- No network restrictions.
- Amount payable of primary maximum benefit is 50% for a spouse and 25% for a child.

Covered event	% Benefit level
Category one	
Heart Attack ³	100%
Stroke	100%
Major organ transplant (heart or combination transplant including heart)	100%
Coronary bypass surgery	25%
Heart valve replacement or repair surgery	25%
Category two	
Invasive cancer after 90 days ⁴	100%
Cancer in situ after 90 days ⁵	25%
Category three	
End stage renal failure	100%
Major organ transplant (excluding those covered in category one)	100%
Advanced Alzheimer's disease	100%
Coma	100%
Motor neuron disease / ALS	100%
Paralysis	100%
Severe burns	100%

² An insured person will only be allowed one payout per category. ³ Non-ST elevation myocardial infarctions (NSTEMI) are not covered. ⁴ If any of the insureds are diagnosed with invasive cancer within the first 90 days of the policy effective date, the benefit amount is reduced to 10% of the maximum allowed benefit. ⁵ If any of the insureds are diagnosed with cancer in situ within the first 90 days of the policy effective date, the benefit amount is reduced to 10% of the maximum allowed benefit. The maximum allowed benefit amount reduces by 50% at age 65.

accidental death and dismemberment

You can never be prepared for the worst to happen, but having the right coverage in place can help lift some of the burden. If an insured person passes away or suffers dismemberment due to a covered accident, TrioMED will pay the elected benefit amount based on the schedule of benefits.⁶

- Receive a benefit payout (percentage of the face amount) in the event of accidental dismemberment⁷.
- Receive a benefit payout for a death resulting directly from a covered accidental injury.
- Use the lump-sum benefit for a variety of out-of-pocket costs, not just medical expenses.

⁶ The benefit payout for a death resulting directly from a covered accidental injury, independent of any other causes, is subject to the schedule of benefits (100% benefit to the insured; 100% benefit to a covered spouse; 50% benefit to any covered children) and the death must occur within 30 days of the covered accident. The claim must be submitted within 180 days of the covered accident. The benefit amount is paid to the listed beneficiary. ⁷ The benefit amount for covered injuries will be a percentage (ranging from 25%-100%), depending on the specific injury.
